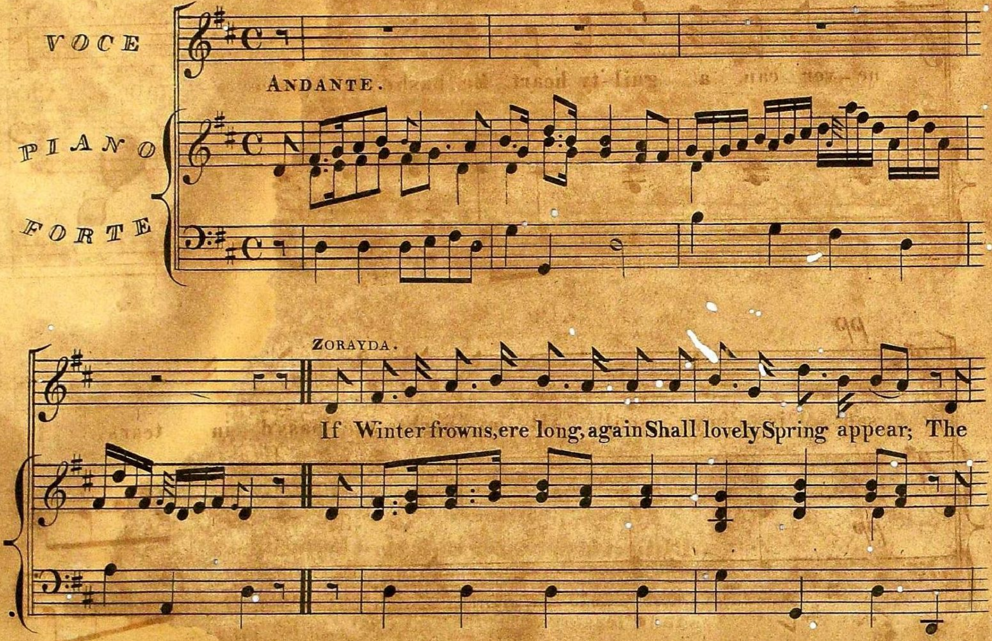
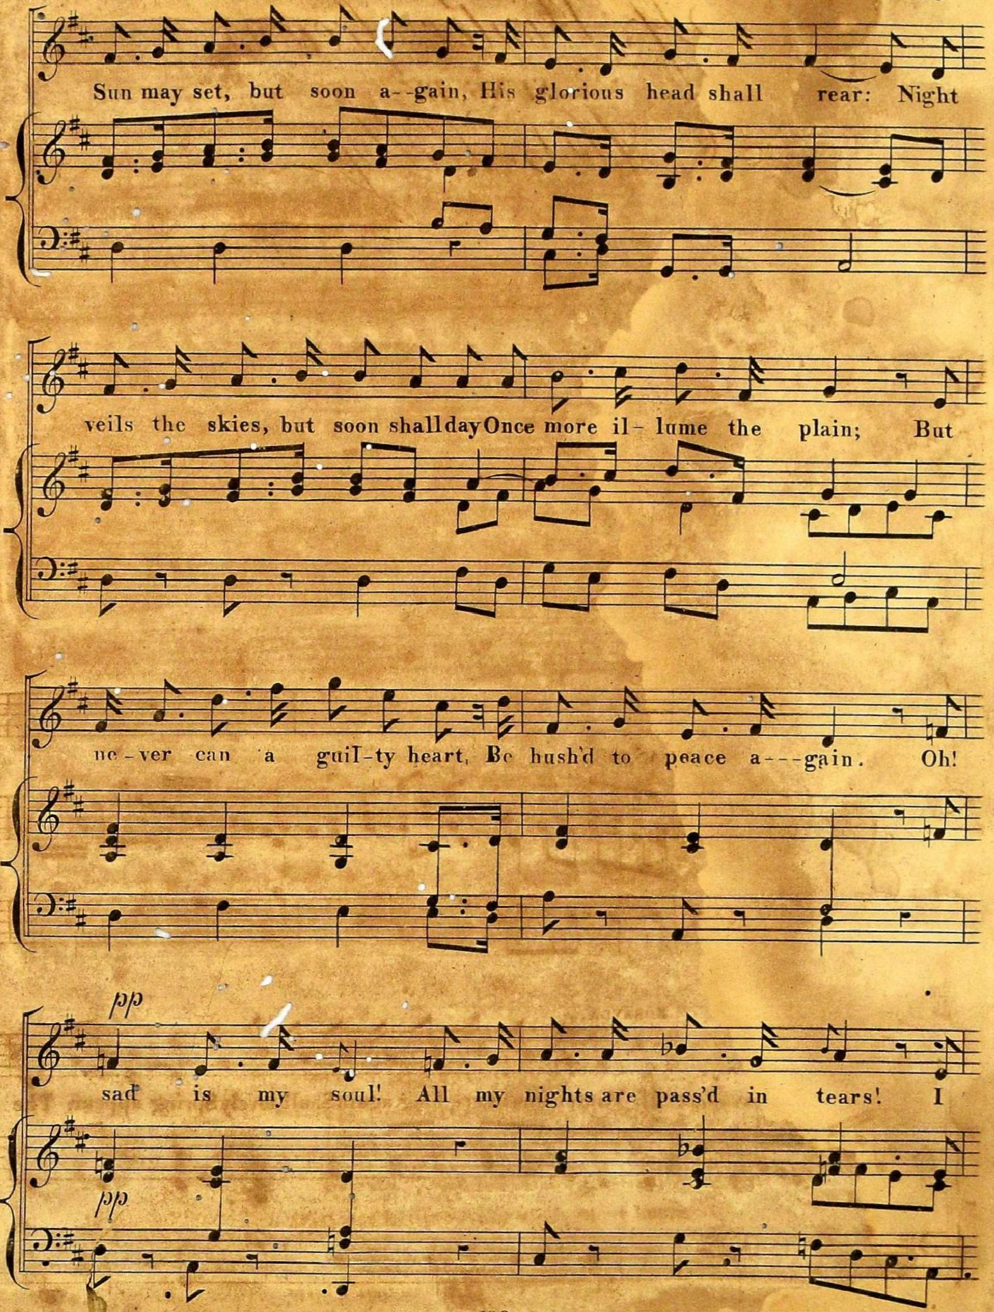
If Winter frowns,

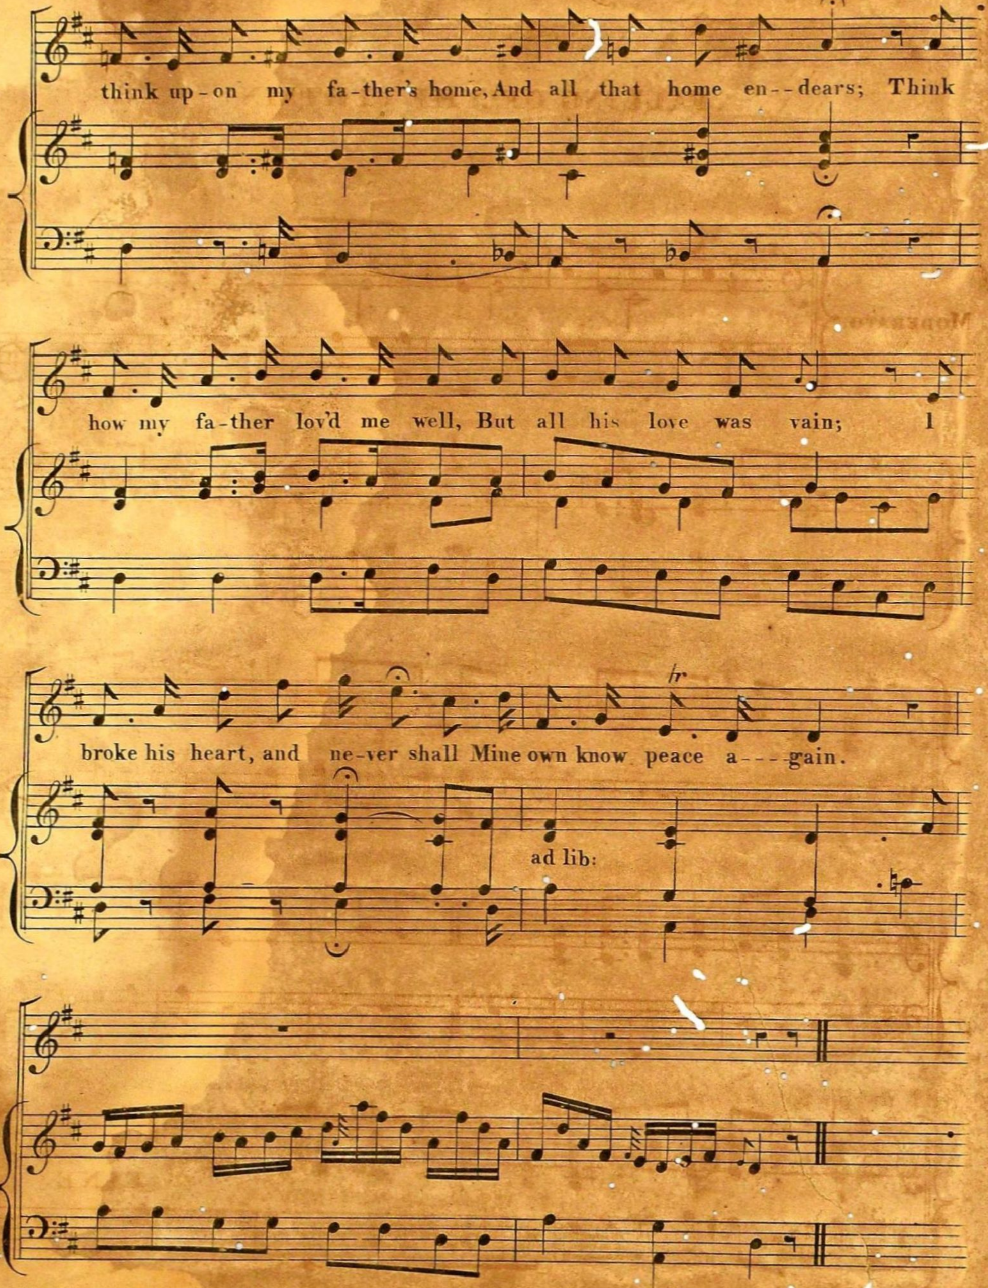
SUNG BY

Miss Kelly.





Sun may set, but soon a--gain, His glorious head shall rear: Night
veils the skies, but soon shall day Once more il- lume the plain; But
ne-ver can a guil-ty heart, Be hush'd to peace a---gain. Oh!
pp
sad is my soul! All my nights are pass'd in tears! I
pp



think up-on my fa-ther's home, And all that home en--dears; Think
how my fa-ther lov'd me well, But all his love was vain; I
broke his heart, and ne-ver shall Mine own know peace a---gain.
